PTSAs provide youth members with the opportunity to make a difference by developing leadership skills, learning about the legislative process, increasing their self-esteem, and contributing to the school and community. In turn, adult PTSA members gain a new perspective for program development and youth leadership development and acquire a better understanding of the youth of today.

In addition to checking out the below resources, consider tying this work to becoming a [School of Excellence](#)! All of the resources and opportunities below cover efforts that could strengthen your PTSAs work in building family-school partnerships.
